

Support , Cowichan South Arts Guild  
7/27/2018

Hello, the Board of the Cowichan South Arts Guild discussed the movement to have a public art gallery and would like to meet with one of your representatives in September if possible. We could have a separate meeting or perhaps someone could come to our Board meeting - whatever is convenient. We are interested in seeing the development of a good public art gallery and would like to develop a strategy of support.

The Board members are Kmit and Kel Stone, Elaine Thibault, Eileen McGann, Terry Dheensaw and myself. I am the Treasurer and Secretary. Thank you, Charlotte Haggart. =
